- Have you paid the 9.5% Superannuation for your employees, contractors, subcontractors and voluntary agreement workers who are paid an hourly rate? Please phone me or check the Tax Office website - www.ato.gov.au - go to Business and scroll down to Decision Tool, if you are not sure if you have to pay it.

Please be aware that if you do not pay the 9.5% Superannuation to your employee's superannuation fund by the 28th day after each quarter then the Superannuation is paid to the Tax Office along with an Administration Charge and Interest. If you have to pay to the Tax Office, the Superannuation and additional charges are not tax deductible.

Reminder: Have you registered for SuperStream?

Tax Hint:

If you wish additional tax savings this year, calculate and pay your superannuation obligations before 25th June so as your payments reach the Superannuation Fund before the end of the financial year.

Tax Hints:

- ❖ *To reduce your Taxable Income and your account for your income and expenses on a cash basis, pay your accounts before 30th June.*
- ❖ *If you have a Tax bill and Superannuation Guarantee to pay and your cashflow won't allow you to pay both, pay your superannuation first as if it is paid late, you could incur non-deductible penalties.
